

Secure admin sign-in

ADMIN LOGIN SCREEN

X GROUP ADMIN

Secure staff access.

The dashboard, scanner and point controls require an active admin email and password.

Admin email

Password

Open admin dashboard

X Group

Locations & booking | xgroup.ae | Privacy

STAFF ONLY

- 1 Open the X Group admin page.
- 2 Enter your assigned admin email and password.
- 3 Tap “Open admin dashboard”.
- 4 Use your own account and never share the password.

Scan the customer passport

TEAM SCANNER

Close

Scan. Review. Confirm.

Start camera scanner

The built-in scanner works on iPhone, Samsung and other modern phones. The member must select the activity before showing the code. The normal phone Camera app is a backup, but a newly opened tab may ask staff to sign in again.

Or paste a one-time scan code

Review visit

SCAN

- 1 Ask the customer to select the correct activity.
- 2 Tap “Scan a passport”, then start the camera.
- 3 Hold the one-time QR code inside the frame.
- 4 Verify the member name and activity before continuing.

ONE-TIME QR

Award points or redeem

The customer can request a reward. Only authenticated staff can complete it after a new scan.

Never press twice. Never award or redeem against the wrong activity.

Members and complete history

Members

Showing 1-1 of 1

Phone numbers are masked. Verify the member in person before creating a reset code.

MEMBER	PHONE	ACTIVITY POINTS	SCANS	LAST SCAN	ACCOUNT
		Laser Tag 0 Bowling 0 Escape Room 0 Billiard 0 PC & PS 0 Others 0	3	5 Sep 2026, 7:24 PM	Reset PIN

MEMBER LIST

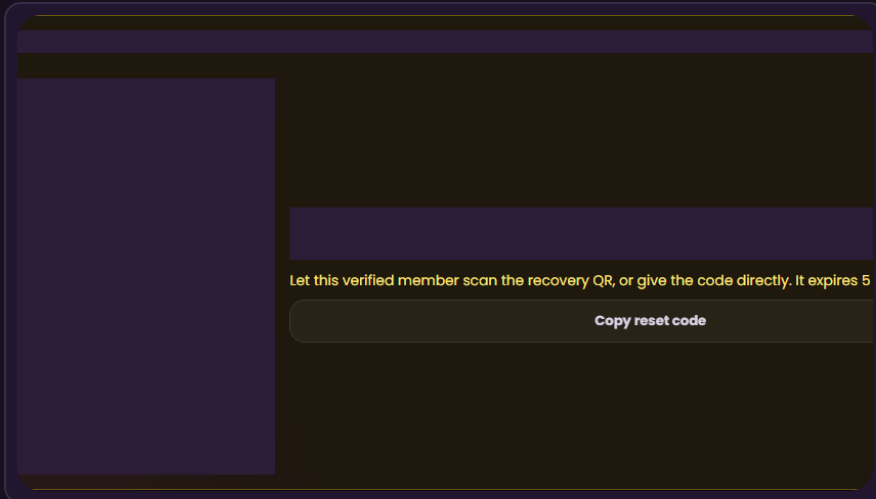

- Masked phone number
- Activity balances and visit count
- Last visit
- Reset PIN for a verified member

COMPLETE HISTORY

- Scans and confirmed points stay separate
- Reward redemptions are recorded
- Review the history before resolving a dispute

Forgotten PIN recovery

EXPIRES IN 15 MINUTES

The reset code expires automatically. Staff never sees or chooses the customer's new PIN.

- 1 Verify the customer in person.
- 2 Find the correct member and tap Reset PIN.
- 3 Let the customer scan the recovery QR or give the code.
- 4 The customer enters the registered phone number.
- 5 The customer chooses a new six-digit PIN.

THE NEW PIN STAYS PRIVATE

Security and sign-out

SAFE
& SECURE

Sign out at the end of every shift.

Never ask for or record a customer PIN.

Never photograph a passport QR or recovery code.

Sign out when your shift ends.

If a result is unclear, check history—do not repeat the transaction.
